• Hello

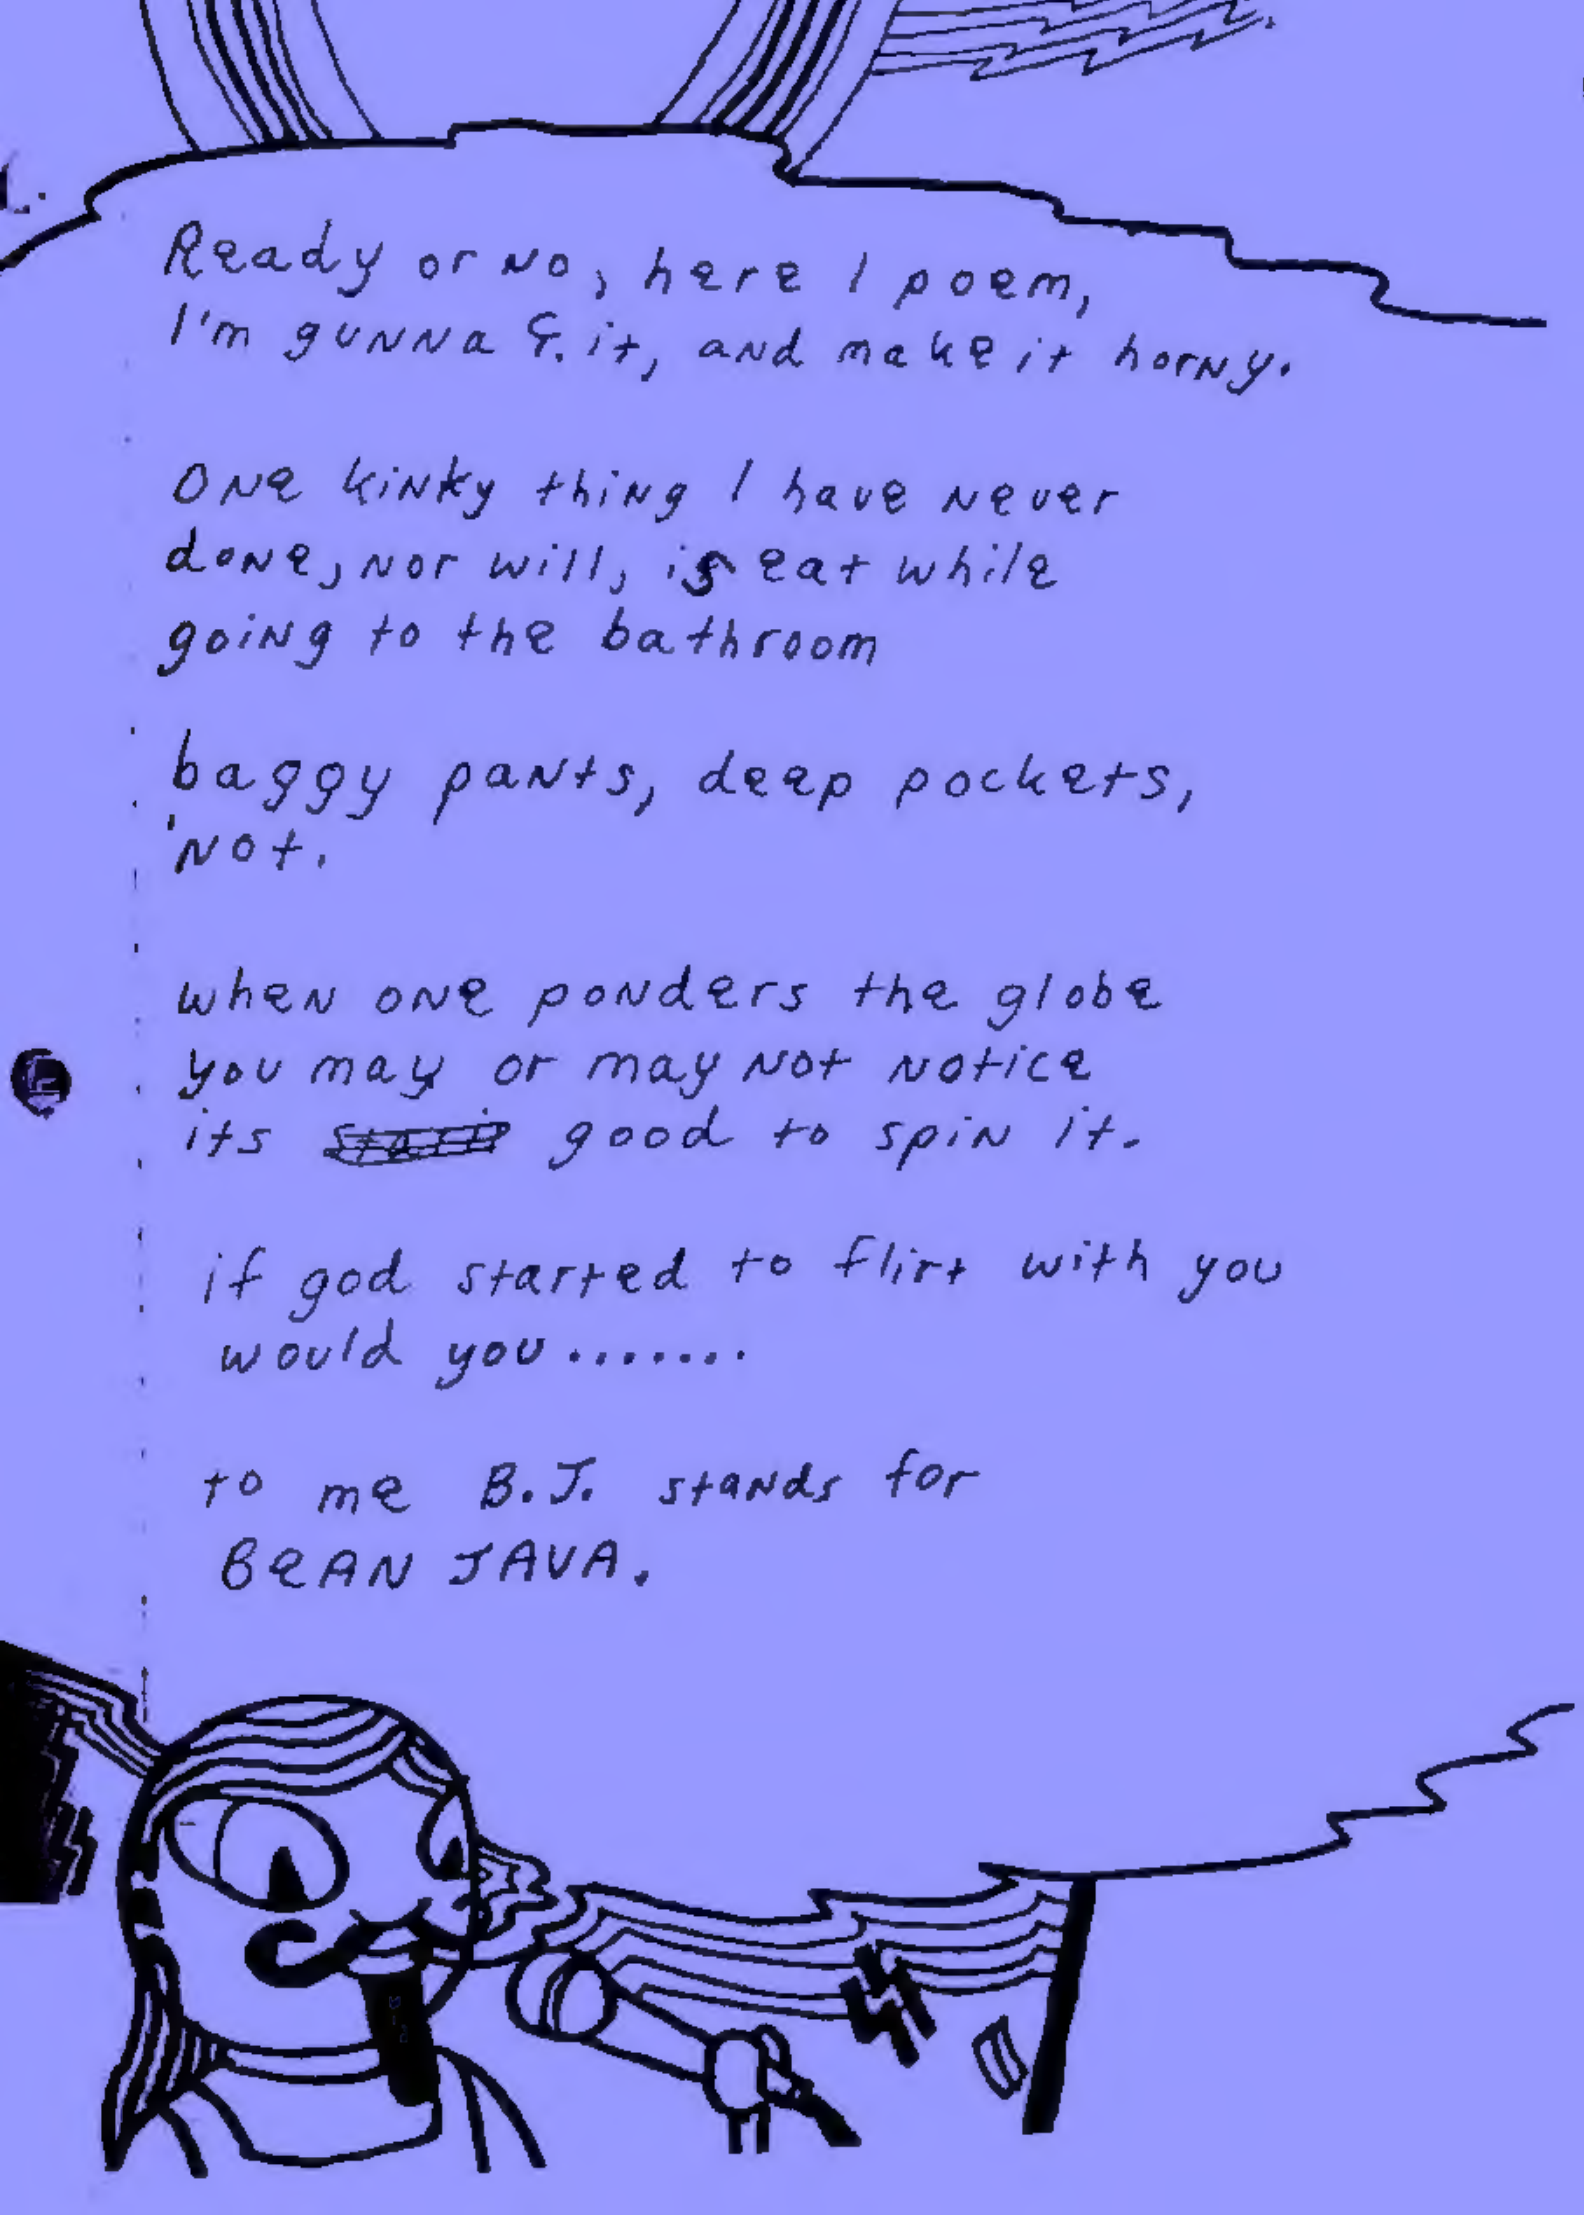

okay  
so tomes  
reading has  
many good artists  
but up ~~for~~ first  
is our local buddie  
GATOR !!!

SLURP SLURP CLAP

LET ME  
DO THIS  
BREW

SLURP  
OKAY  
READY  
OR NOT

Ready or no, here I poem,  
I'm gunna f. it, and make it horny.

One kinky thing I have never  
done, nor will, is eat while  
going to the bathroom

baggy pants, deep pockets,  
'not.

When one ponders the globe  
you may or may not notice  
its ~~stiff~~ good to spin it.

if god started to flirt with you  
would you .....

to me B.J. stands for  
BEAN JAVA.

Though I've never seen one  
I'm sure I could spot a pirate.

Slippery when read:

Eating B.B.Q.

A 3 way with just me and you

Egyptians thought the mouth  
to be the ~~sexiest~~ sexiest

Falling leaves, blowing wind  
blown mind

Zen multimedia can be seen  
Not heard.

...and my final poem for da night.....

Marque biz, soft drink fizz  
softly come yonder  
the globe I do ponder
